John – As I mentioned the other day, I would like you to start getting involved with WV in the role of CA coordinator, being the main POC for all CA matter in the state, similar to what Jacobi used to do for VA. My goal is for you to eventually be able to run the quarterly calls with Evelyn. In the mean time I can you to star becoming generally familiar with the work that's going on in WV.

Enclosed is their workplan for your reference. I'll be reviewing it but if anything jumps out to you that needs clarification, let me know.

Good Morning Luis,

Attached is West Virginia's FY18 Corrective Action Workplan. If you believe that there are items in the workplan we should negotiate with West Virginia, let me know so we can address it before the end of FY17. Thanks!
